Dear Mr. Salvatore:

For a number of years, the Medallic Art Company have offered to strike for our museum collection, specimens of the medals which have been issued by them, providing we can obtain permission either from the artist, or the organization responsible for the medal. We should particularly like to have a copy of the Duck medal paperweight designed by you. If you do not feel that you can authorize the striking of such a specimen, will you kindly refer me to the individual who would have authority to grant this request.

Trusting that we may count on your co-operation, I beg to subscribe myself,

Very truly yours,

Curator.
